To
The Principal Secretary/ Secretary
in-charge of Rural Sanitation,
All States

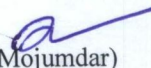

Subject: - Non updation of monthly progress of IEC and HRD activities in NBA IMIS

Sir,

It has been noticed that States are not entering the progress under IEC and HRD activities in NBA-IMIS. As you are aware that Ministry of Drinking Water and Sanitation monitors progress under NBA through IMIS, hence, it is not possible for this Ministry to monitor the progress made under these components until the progress is entered in IMIS. IEC and HRD are the key components for the success of the rural sanitation programme as they accelerate demand for sanitation facilities through inculcating behavioural change among the people.

You are, therefore, requested to expedite the IEC and HRD activities in the rural areas of your State and enter the progress both for State level, District level and GP level (for Physical and Financial progress) NBA IMIS urgently.

Yours faithfully,

(Sujoy Mojumdar)
Director
