

F.No: WQ-11012/23/2015-Stat  
Government of India  
Ministry of Drinking Water and Sanitation

To,

The Principal Secretary/Secretary In-Charge of Rural Drinking Water  
Government of Uttar Pradesh/Bihar/West Bengal.

**Subject:** Residential Capacity Building Training and Workshop of Stakeholders

Sir/Madam,

Capacity Building is an important requirement to expedite the access and availability of safe drinking water in rural areas. In order to help the States with capacity building, the Government of India has identified 'Support for Implementation & Research (SIR)' as National Key Resource Center (N-KRC). The Ministry has designated SIR to conduct 3 days Residential Capacity Building/Training Programs and a National level Workshop for the Stakeholders on Drinking Water preferably in JEs/AES affected areas of Uttar Pradesh, Bihar and West Bengal.

The program would be helpful to improve the performance of concerned departments/functionaries to ensure the community participation, hygiene & sanitation, access and availability of safe drinking water along with the Prevention of JEs/AES especially in vulnerable groups.

In this regard, it is scheduled to conduct 2 batches of Residential Training Program (35 Participants in each Batch) in each state of U.P., Bihar and West Bengal, comprising of different stakeholders in rural development viz., Panchayati Raj, PHED/WSSO, PRIs, VWSCs, Social organizations, etc. It is required to nominate the prescribed no. of participants of different departments (as per the schedule to be provided by SIR shortly) to attend the above mentioned training program and workshop.

It is requested to nominate the required no. of participants and facilitate the capacity building program and workshop.

With regards

Yours sincerely,

(Sandhya Singh)  
Director
