Dear Sir / Madam,

Sub: Participation in the North East Development Summit 2015

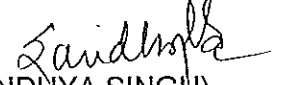

Centre for Agriculture and Rural Development & ASSOCHAM is jointly organizing North East Summit 2015, Development Expo and Agro & Rural Expo at Guwahati on 26th – 27th May, 2015 involving DONER , NEC and other national level organizations, Ministries and the industry.

This Expo would be a very good platform for promoting awareness on safe sanitation and providing clean drinking water & sanitation in the rural areas.

Therefore, it is requested that all the North Eastern States (Assam, Tripura, Nagaland, Meghalaya, Sikkim, Arunachal Pradesh, Manipur and Mizoram) should jointly put up a small pavilion of about 400 sq. meter in the event to showcase rural sanitation and rural drinking water best practices, issues and other related awareness material / activities. The copy of the letter received from Centre for Agriculture and Rural Development is enclosed for your reference.

With regards,.

Yours sincerely,

(SANDHYA SINGH)

To

Pr. Secretaries / Chief Engineers Incharge of rural water supply and sanitation in all North Eastern States of Assam, Tripura, Nagaland, Meghalaya, Sikkim, Arunachal Pradesh, Manipur and Mizoram

Sub: North East Development Summit 2015

Dear Madam

North Eastern region is rich in potential, but the opportunities for development yet not adequately explored, despite continuing high focus of the Government of India for a long time. With the new NDA Government at the Centre, there is renewed thrust to the development of the region. Agriculture, food, processing, Energy, Infrastructure, Tourism, Culture, ICT, financial inclusion, drinking water, sanitation and rural development are among the focused sectors. Economic development and creation of job opportunities for the youth hold the key to the peace and prosperity in the region.

With the new situation and emerging opportunities as also the focus of the new Government on the development of NE region, we are organizing jointly with ASSOCHAM the North East Summit 2015, Development Expo and Agro & Rural Expo at Guwahati on 26 - 27 May, 2015, involving DONER, NEC and other national level organisations, Ministries and the industry.

Given the role of the Ministry towards promoting sanitation and providing clean drinking water in rural areas by creating awareness among the stake-holders and masses, we would request for the Ministry participation by putting up a Small Pavilion of 200 sq. mt. only in this important event, which aims at bringing all the stake holders at one place and accelerating the rural and economic development in the North Eastern region.

We look forward to your kind cooperation and support.

With regards

Alok Sinha

Don't worry about the 200 sq. mt. we may not be able to process a pavilion for NE States but in this event the MNSB show case will be entirely of show
