Madam / Sir,

Please refer to discussions during the Annual Action Plan Meeting (AAP) for the year 2015-16, held during the month of February / March, 2015 for National Rural Drinking Water Programme (NRDWP) in which State Govt. was advised to give more emphasis to finish ongoing rural water supply schemes.

2. It is again reiterated here that more emphasis may please be given to finish incomplete works of rural water supply schemes of your State.
3. Further, in view of the increased fund allocation to your State under Fourteenth Finance Commission grants, it is requested that your State may fill the resources gap in the programme through their own resources.

Yours sincerely,
