एक कदम स्वच्छता की ओर
No S-11016/3/2015-SBM

Date: 10th June, 2015

Dear *SV*

District is the most important unit for implementation of Swachh Bharat Mission. It is observed that wherever District Collector/CEO, Zilla Parishad takes lead in the programme, results are good. In view of this, with the concurrence of States, Collectors from across the country are being trained.

2. It is understood that a few districts in your State are doing exemplary work in sanitation. Some of them have been invited as resource persons in Collectors training.

3. Since sanitation involves complex behavioral change issues, and making villages ODF on scale is a very challenging task, one way to address this is through cross learning. The Collectors who are doing good work should share their work with Collectors from other States, so that there is reinforcement of motivation and solutions to tricky issues may emerge.

4. In order to facilitate this, the Ministry of Drinking Water & Sanitation is organizing a Video Conference on 23rd June 2015 at 11 am with selected States and districts. You are invited to participate in this Video Conference along with the following officers from your State (who may join from their respective district HQs).

1) Dr. Amit Agarwal, DM, Faridabad, Haryana

5. Senior officers from GOI will be present in the Video Conference to appreciate the work being done in these districts and to facilitate inter-State cross learning.

With *regards*

Yours sincerely,

(Signature)
