Subject: **Comprehensive E Governance Solution Project proposal for Ministry of Drinking Water and Sanitation for the financial year 2015-16 and 2016-17- regarding.**

Reference is invited to your letter dated 28.7.2015 enclosing proposal for comprehensive e governance solution project for this Ministry. IFD has raised some queries which is as under:

- 1) In the cost breakup table it is seen that Rs 1.20 crore has been kept for procurement of licensed software for eight SQL servers. It may be explained whether the existing services have any licensed software or this is an additional requirement for them because no new server is being procured.
- 2) Similarly, manpower cost may be provided in two parts (i) Development phase and (ii) Operation & maintenance phase.
- 3) Further, it may be noted that in the table no 7.5 shown in your proposal, the total of cost break up for first phase is not correct. Please send the correct figures for different estimates and their total.

You are requested to send the reply on the above queries urgently.
