To,

Subject: Capturing and uploading photographs of constructed latrines (IHHL) on the  
IMIS - Regarding

Sir/Madam,

I am directed to refer to Joint Secretary (SBM-G) letter of even number dated 6<sup>th</sup> August, 2015 (available on Ministry's website) on the subject mentioned above and to intimate that progress in uploading photographs of constructed latrines (IHHL) on the IMIS is much lesser than the physical progress reported on IMIS. As on date, photographs of only 13.49% of the total IHHLs (10454049) have been uploaded. A statement from IMIS showing the State-wise progress is attached for your reference.

2. As capturing photographs of constructed IHHLs on IMIS is an important tool of monitoring system, it is requested to direct the concerned district officials to update uploading of pending photographs and ensure simultaneous uploading in case of newly constructed IHHLs.

Yours faithfully,

(Christina Kujur)

Under Secretary (SBM-Gramin)
