

Government of India
Ministry of Drinking Water and Sanitation

Letter of Authorization

D.O.No. S-16012/1/2015-SBM

Date: 29 April 2016

Dear Sir/Madam,

As you are aware, the Ministry of Drinking Water and Sanitation, Government of India is the nodal ministry for dealing with Swachh Bharat Mission Gramin.

In pursuance of the above, the Ministry of Drinking Water and Sanitation with the support of Bill & Melinda Gates Foundation is planning to assess rural areas in districts to rank their performance on various sanitation parameters to encourage districts to improve sanitation and ensure villages become Open Defecation Free (ODF). Accordingly, we plan to conduct a survey of villages to assess the performance.

Quality Council of India(QCI) will be conducting this survey in May and June 2016. The survey will involve interaction with village panchayat, visiting households and taking pictures of different locations in villages. This will be done by QCI's team along with a professional surveyor team.

Ministry of Drinking Water and Sanitation, Government of India requests you to cooperate by helping the team by giving them access to panchayat officials and anganwadi workers. Local administration is requested to assist the SBM team in identifying villages and physical sites to survey. It is also requested to provide clear access to this team to identified physical sites for onsite survey.

With regards,

Yours Sincerely

(SANDHYA SINGH)

To

1.Pr. Secretaries of States (as per list)

2. District Collectors (as per list)

✓ 3. Director, NIE for uploading in Ministry website

Dear Sir,

As you are aware, the Ministry of Drinking Water and Sanitation, Government of India is the nodal ministry for dealing with Swachh Bharat Mission Gramin.

In pursuance of the above, the Ministry of Drinking Water and Sanitation with the support of Bill & Melinda Gates Foundation is planning to assess rural areas in districts to rank their performance on various sanitation parameters to encourage districts to improve sanitation and ensure villages become Open Defecation Free (ODF). Accordingly, we plan to conduct a survey of villages to assess the performance.

Quality Council of India(QCI) will be conducting this survey in May and June 2016. The survey will involve interaction with village panchayat, visiting households and taking pictures of different locations in villages. This will be done by QCI's team along with a professional surveyor team. The list of district / block / village to be covered in the survey is attached herewith.

Ministry of Drinking Water and Sanitation, Government of India requests you to cooperate by helping the team by giving them access to panchayat officials and anganwadi workers. Local administration is requested to assist the SBM team in identifying villages and physical sites to survey. It is also requested to provide clear access to this team to identified physical sites for onsite survey.

With regards,

Encl:As above

Yours Sincerely

(SANDHYA SINGH)
