DO No. W-11011/21/2015-Water-I

Dated : 23<sup>rd</sup> February, 2017

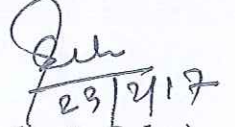

Dear Madam/Sir ,

While perusing the IMIS data under NRDWP it has been observed that there is huge unspent balance in most of the States. It is a matter of serious concern and the Ministry will be constraint not to release first instalment of funds NRDWP during 2017-18 in the month of April, 2017 to these States if the situation does not improve. States are required to expedite their expenditure under all components of NRDWP and to ensure that the unspent balance of 2016-17 is not beyond permissible limit of 10% of the funds released to States during the financial year 2016-17.

2. It is therefore impressed upon all the States to take immediate steps to incur the expenditure and update the same on the Ministry's IMIS.

With Regards,

Yours sincerely,

  
(Satyabrata Sahu)
