Madam / Sir,

This Ministry in its continuous effort of providing safe drinking water to rural habitations in the country is mulling over ways to effectively monitor the execution of rural drinking water supply schemes carried out under National Rural Drinking Water Programme (NRDWP).

2. In this connection, all States are requested to provide information by 05.04.2017 to this Ministry on below points:

- c) Total habitations covered under these schemes during 01.04.2016 to 31.03.2017.

The second part should contain rest of the works carried out by the States in the rural drinking water supply sector through their State funds as well as from other resources generated by the State like CSR funds , Mining Funds , NABARD loans etc.
