List of habitations to be targetted under Dual Powered Pump Scheme in IAP States is attached.

- List A : Number of habitations to be targetted in each district in each District. Col 5 : QA habitations; Col 7- Non QA habs; Col 8 Total Number in the district.
- List T1: List of QA habs in each district that have to be targeted.
- List T2: List of Non QA habs. Out of this list, that number of habs will be targeted in each district that are mentined in Col 7 of List A.

List A

Districtwise Distribution of habitations in the 82 IAP districts in which for Solar Powered Dual pump based piped water supply schemes shall be implemented

Sno	State	District	Total Habitations	*Quality Affected Habitations in the IAP districts*	Habitations not Covered BY PWS Schemes	*No. of Habitations to be selected out of non QA IAP districts (Col6/Total of Col 6*(10000-total no. of QA habitations in IAP distircts))*	Total Habitations to be targeted in the district
