Subject: - **National Scheme Sanctioning Committee (NSSC) meeting for NBA
- regarding**

Sir,

In the 46th National Scheme Sanctioning Committee (NSSC) meeting for NBA held on 2nd July, 2013 the Committee observed that the following certificate/information are required for considering Project Implementation Plans(PIPs) of the States :-

- (i) A Certificate that revised PIP targets do not include any households that had earlier received incentive under TSC/NBA even if the toilet has become dysfunctional.
- (ii) Justification in case BPL/APL categories in revised PIP shows a disproportionate increase over existing targets compared to the decadal population growth rates from the earlier Baseline Surveys.

Accordingly you are requested to kindly provide the above certificate/information while submitting revised PIPs to this Ministry. Those States who have already submitted revised PIPs may submit the above two certificates by fax/email by 7.11.2013.

Yours faithfully,

(SUJOY MOJUMDAR)
DIRECTOR (NBA)
