Subject: Clarification regarding deployment of trainees to KRCs as per training calendar uploaded in MDWS website

Dear Sir/ Madam,

As you are aware, the Ministry of Drinking Water & Sanitation had compiled tentative training calendar after taking inputs from various KRCs and uploaded in the website of the ministry. This was devised for enabling states to plan topic wise and KRC wise identification of trainees from appropriate levels. This has come to notice of the Ministry that on the basis of the training calendar some state has sent trainees directly to the KRC, even before receiving conformation from the KRC. This is therefore being clarified that the calendar of training is a tentative schedule of the trainings to be organised by respective KRCs. States are requested to plan identification of trainees and write to the KRC intimating topic wise and date wise names of trainees and only after receiving conformation from the respective KRC the trainees should proceed to attend training in a particular KRC.

With regards,

Yours sincerely

(Sandhya Singh)
