Subject: Regarding convergence of Swachh Bharat Mission (Gramin) (SBM-G) with Indira Awaas Yojana (IAY)

Sir/Madam,

As you may be aware that Swachh Bharat Mission (Gramin) guidelines have been issued on 18.12.2014 and hosted in the Ministry's website [www.mdws.gov.in](http://www.mdws.gov.in) Para 5.4.4 of guidelines stipulates as under:

***'All houses constructed with the central or/and state assistance should invariably have suitable Sanitation facility as an integral part. Provision will be separately included in the Indira Awaas Yojana Programme for provision of functional toilets for IAY houses. Till such provision is made in existing IAY arrangement for funding will be continued from the Swachh Bharat Mission (Gramin).***

2. It is further reiterated that till such time the IAY programme is amended and the provision of toilets included in the IAY cost; the funding of IAY toilets will continue to be provided under SBM(G).
3. Adequate attention however needs to be placed on the compulsory reporting of progress on the SBM(G)-MIS managed by the MDWS.
4. The submission of UCs by State IAY agency to the State SBM(G) agency, regarding the use of SBM(G) funds may also be given serious attention

Yours faithfully

(Saraswati Prasad)
