The Government of India, in partnership with States, has recently launched Jal Jeevan Mission to provide Functional Household Tap Connection to every rural household in the country. The mission, would inter alia, involve communities for creation of village piped water supply infrastructure, infrastructure for transfer of bulk water, treatment plants and distribution network, use of latest IT tools and technologies in planning implementation, monitoring of projects and service delivery, etc. The mission is targeted to achieve its goal by 2024.

Applications are invited from Public Health Engineers for the following posts with deep understanding of the rural water supply sector for serving in the Mission. The posts are required to be filled up on Deputation including Short-Term Contract/ Absorption/ Promotion basis from among Officers of the Central or State Government or Union Territories or Autonomous Bodies or Public Sector Undertakings or Statutory Organisations or Universities or Recognized Research Institutions.
