All the Principal Secretaries/Secretaries incharge of
Rural Sanitation – All states

Dear Sir,

This has reference to this Ministry's letter regarding Annual Action Plan discussions and annual plan discussion separately held with your State. Following actions may kindly be taken in this regard:

- 1) States are requested to revise the Annual Action Plan as per the discussions and likely eligibility communicated for the year 2012-13.
- 2) State should upload these revised objectives and district wise AIP on line.
- 3) The marking of projected GPs as Nirmal Gram based on the conjoint approach of water and sanitation should also be provided alongwith the names of these GPs.
- 4) States should send a hard copy of the revised AIP objectives for 2012-13 signed by a senior officer by **15th March, 2012** for the purpose of finalizing RFD targets of the Ministry. The names of GPs proposed for ODF status should also be given.

In States where 'Drinking Water' and 'Sanitation' are being looked after by separate Departments, it may be ensured that detailed mutual consultations for finalizing GPs for Nirmal Gram Panchayat outcomes are held and the GPs are accordingly finalized for Open Defecation Free (ODF) coverage. Data may also be provided to the concerned Department and GPs finalized for PWS coverage.

Yours sincerely,

(Vijay Mittal)
Director (CRSP)
