D.O.No. G-11011/3/2014-Water
Dated: 28 July, 2014

Subject: Allocation Under Incentive Fund (Management Devolution Index) for 2014-15- reg.

Dear *Madam / Sir,*

The fund allocation criteria in the National Rural Drinking Water Programme (NRDWP) guidelines as amended in 2011 provide for 10% weightage to 'Rural Drinking Water Supply Schemes weighted by Management Devolution Index'.

2. The Management Devolution Index (MDI) for the year 2013-14 was calculated on the basis of relevant documents submitted by the State Governments. Now, the Ministry requires obtaining information on rural population managing rural drinking water scheme and on other indicators for arriving at MDI for 2014-15 to finalize the Incentive Fund.

3. In this context, you are requested to furnish all relevant updated information in the same formats viz A, B, C, D and formats 1-6 which were circulated in 2013-14 for finalization of incentive fund. A copy of the list of indicators for MDI for rural population managing drinking water supply schemes along with formats A-D and 1-6 is enclosed for your reference. It is also requested to furnish information regarding "Rural population managing rural drinking water supply schemes (population in thousands as per 2011 Census)" in the table given below:

Item	Population (In thousands)
"Rural population managing rural drinking water supply schemes (population in thousands as per 2011 Census)" (information / supporting documents duly signed by the Principal Secretary to the State Government).	

It may be noted that all formats/supporting documents should be duly signed by the concerned authority of the State Governments concerned.

4. The formats are also placed on the website of the Ministry. It is also requested that the information for 2014-15 may be furnished (both in hard copy and email to sandhya.singh@nic.in & pandey.kamal@nic.in) by 14th August, 2014 to Ministry of Drinking Water and Sanitation.

With *Regards,*

Encl: As above

Yours Sincerely,

Sahu
