Ministry of Rural Development
Department of Drinking Water & Sanitation

12th Floor, Paryavaran Bhavan
CGO Complex, Lodhi Road
New Delhi – 110 003

Dated: 4th August, 2010

To
Secretary in -charge of sanitation
(All States/UTs as per the list)

Subject: Booklet on "Success Stories/ Best Practices on Total Sanitation Campaign"

Sir,

Total Sanitation Campaign was launched in 1999 and has completed a decade since then. With combined efforts of Center and State/UT Government, the rural sanitation sector in India has seen much progress over the years, especially in the last one decade. There has been significant increase in sanitation coverage in the rural areas with online monitoring systems pointing to about 65% coverage.

We appreciate the contribution made by the State/UT in accelerating the TSC coverage. The State/UTs have used various innovative strategies and activities while implementing the total sanitation programme in their respective State/UT. In view to this, the Department has decided to showcase the work of the State/UTs in form of booklet "Success stories / Best practices on Total sanitation Campaign".

It is therefore requested to share the success story on TSC & NGP of your State/UT with this Department. Kindly limit the success story to maximum 500 words with some good quality photographs (high resolution 300 DPI) latest by 16th August, 2010 to enable the department to complete the same in a time bound manner and also ensure your State's presence in the document. The booklet shall be released in any forth coming important event.

You may direct the concerned officials to send the required material soft and hard copies to the department on priority. The soft copy may be repeated to E-mail ID (ddws_consiec@nic.in) also.

Yours faithfully,

[Vijay Mittal]
Director (CRSP)
