**Government of India**  
**Ministry Of Drinking Water and Sanitation**

9<sup>th</sup> Floor, Paryavaran Bhawan  
CGO Complex, Lodhi Road  
New Delhi-110 003

Dated: 7<sup>th</sup> August 2014

**Subject: Brain storming session with KRC -Regarding.**

Sir/Madam,

As you are aware for this, the Ministry has recognised your Institute as Key Resource Centres (KRC) to impart quality training to our project implementers, managers and stakeholders to effectively plan, implement, monitor and sustain the water supply and sanitation project/scheme at the village/ habitation level .

In order to strengthen this relationship and to have a one to one interaction a review / brain storming session has been planned. In the a session we would be also looking for your suggestion in strengthening the KRCs and using their services in a more effective way towards achieving Swacch Bharat specially through IEC / IPC, training & handholding.

The daylong session has been scheduled to be held on **11th August 2014 at Seminar Hall ,Indian International Centre, Lodhi Road, New Delhi- 110003 at 09.00hr.** The agenda programme would be informed to you shortly and will be uploaded in the Ministry web site ([www.dws.gov.in](http://www.dws.gov.in)) .

Therefore, you are requested to attend the same and present your suggestion.

Yours Sincerely

  
(Sandhya Singh)

Joint Director (Stat/M & E)

To,

Various KRCs

## **Agenda**

**Brain storming session on Key Resource Centre's and other related issue  
on 11th August 2014 at Seminar Hall, India International Centre,  
#40, Max Mueller Marg, Lodhi Estate, New Delhi- 110003**

To support the endeavour of achieving Swacch Bharat by healthy India, open defecation free and making available safe drinking water to all the rural population, this Ministry had empanelled institutions/ NGO's of high repute as Key Resource Centre (KRC). They have been entrusted the work of supporting the Ministry in soft skills like, trainings, evaluation studies, IEC activities and other support activities, as detailed out in the KRC Guidelines.

### **Key objective of the meeting:-**

- I. To review the activities (Trainings, Workshops and Seminars) undertaken during 2013-14 by the KRCs under support from Ministry of Drinking Water and Sanitation.
- II. Discussion on development of training modules for new and innovative technologies in drinking water and sanitation.
- III. Scope of responsibility of KRCs can they be widened to improve the implementation of the Water and Sanitation Programme to achieve Swacch Bharat.
- IV. Issue related with the current KRCs structure and their activities.
- V. Any other related issues with the permission of chair.
