New Delhi- 110003
Dated: 28th September, 2020

To,

Mission Directors
In-Charge of Rural Sanitation
All States & UTs

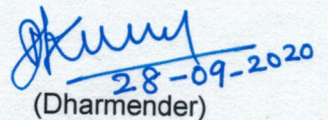

Subject: Feasibility assessment on Community Sanitary Complexes (CSCs) constructed under Swachh Bharat Mission (Grameen) - regarding.

Madam/Sir,

As desired by the Competent Authority, Deptt. of Drinking Water and Sanitation (DDWS), M/o Jal Shakti has decided to conduct a study to assess the continuity of the new Community Sanitary Complex (CSC) to be built based on the assessment of the functionality and usability of the existing facilities. The study will be restricted in those States/UTs where atleast 100 CSCs have already been constructed and reportedly under use. 10% of the constructed CSCs for each States/UTs will be taken up for this study. Due to the prevalent condition of COVID19, the collection of information on about 30% of the selected units will be collected through field visits and the rest will be collected through telephonic interviews with the key informants. The key informants for the study are Sarpanch/ Panchayat Secretary/ Member of Gram Sabha/ Swachhagrihi, etc. The period of study will be 28-09-2020 to 25-10-2020.

2. In this regards, it is requested to instruct the concerned district officials and the key informants to provide necessary information to the DDWS officials over telephone and also provide logistic support to the DDWS official visiting the districts.
3. This issues with the approval of Competent Authority.

Yours faithfully,

28-09-2020

(Dharmender)
Deputy Director
