Dear Sir,

As you are aware that Integrated Management Information System of Ministry of Drinking Water and Sanitation provides the Physical and Financial Achievements under NRDWP. We have observed that there is a huge gap between figures as on 01.04.2013 and 01.04.2012 of Physical Achievements of many States under NRDWP as per the IMIS of MDWS. A comparative table showing the gap can be perused at Annexure enclosed.

The Planning Commission requires the reasons behind the steep fall in figures as on 01.04.2013 from that of 01.04.2012 to use the information while reviewing the Plan performance of various States under NRDWP.

It is therefore requested to kindly send the State-wise reasons for this steep fall in figures.

With kind regards,

Yours sincerely
