**Sub. :** Implementation of E-procurement system in Rural Water Supply sector.

Please refer to this Ministry's letter of even number dated 05.08.2011, 14.10.2011, 12.03.2012, 26.09.2012, on the above mentioned subject. It was stated that the above mentioned States should fully implement the e-procurement system for all NRDWP works/procurement.

2. The Ministry of Drinking Water and Sanitation has provided funds to NICSI, New Delhi towards 1<sup>st</sup> installment for implementation support of GEPNIC (Government e-procurement) for 20 States (Including Rajasthan) vide sanction order No. W-11037/01/2012-MIS(Water) dated 28.02.2013. This was for the implementation of the e-procurement system in which 2 Facility Management Support Personnel (Currently placed in 16 states) were provided to the Rural Water Supply department initially upto 31.03.2013 which was extended upto 31<sup>st</sup> July 2013. On the examination of the data available on the e-procurement software as on 17.07.2013, it has been found that most of the target States are not fully utilizing or utilizing minimally the e-procurement system and the progress of these States are unsatisfactory.
