Office Memorandum

Sub.: Improvement in the NBA, IMIS

1. As you are aware that the NBA Programme Division and NIC are in the process of improving/upgrading the data entry of reporting of the NBA programme in the IMIS. In this connection, a workshop with State IMIS Officers have been completed in May, 2014.
2. In continuation of the discussions held during the above workshop the Programme Division further proposed 3 additional improvements on the NBA IMIS.
 - a) Entry of completed data related to Baseline survey from all States down to the household level on the IMIS.
 - b) Provision to capture and upload photographs of constructed latrines (IHHL, School, Aganwadi and CSC and SLWM works) on the IMIS.
 - c) Capturing the coordinates of each constructed latrine on the IMIS.
3. In-principle approval of the Secretary, MDWS has already been obtained for the proposal (copy of the note is enclosed).
4. It is now requested that NIC may kindly take following steps immediately:
 - i) Provide an assessment to the Programme Division regarding the per unit tentative cost of data entry of Baseline survey that may be incurred at the field level.
 - ii) Take necessary steps to modify the IMIS for the entry of Baseline survey data.
 - iii) Take steps to modify IMIS to permit capturing photographs as well as latitudes and longitudes of the constructed latrines.
5. It is proposed that data entry may be completed by the States by the end of June, 2014. NIC is, therefore, requested to complete the above work on war footing level.

(Sujoy Mojumdar)
Director, NBA

1. TD, NIC, MDWS, New Delhi
2. Sh. Om Prakash, PSA, MDWS, New Delhi
