Government of India
Ministry of Drinking Water & Sanitation

8th Floor, Paryavaran Bhawan,
CGO Complex, Lodhi Road,
New Delhi-110 003

Dated: 7.08.2014

To

All States Secretaries / Pr. Secretaries in charge of RWS in the States

Subject: Installation of Solar Energy based Dual Pumps in IAP districts- release of funds-reg.

Sir,

Please refer to release of first installment of funds under National Clean Energy Fund (NCEF) vide this Ministry's sanction order dated 28.03.2013.

2. Further, it is informed that this Ministry has not received budget allocation under NCEF during 2014-15. However, this Ministry may request Ministry of Finance to provide the same in supplementary budget i.e. after October, 2014.

3. In the meantime, State may take up the schemes after taking approval of State Level Scheme Sanctioning Committee (SLSSC) as under:

i.) Cost of Solar based pumping system (around 40% of project cost)- may be met from NRDWP-Sustainability component at 100:0 funding pattern between Centre and State, if fund from NCEF is not available.

ii.) Cost of scheme infrastructure (around 60% of the project cost) - may be met from NRDWP-Coverage Fund on 50:50 sharing basis between Centre and State.

iii.) State may take as much number of schemes as possible after taking SLSSC approval.

Yours faithfully,

(Rajesh Kumar)
Director (Water)

Copy to : Technical Director (NIC), with request to host the letter on Ministry of Drinking Water & Sanitation website.
