Jal Jeevan Mission

India's flagship programme for 'Tap-water to every rural household by 2024'

Functional Household
Tap Connections
(FHTCs) to all rural
households

Adequate quantity (55 lpcd)
Prescribed quality (BIS: 10500)
on regular and long-term basis

- ◆ On 15th August 2019, our visionary Prime Minister Shri Narendra Modi, announced Jal Jeevan Mission - 'Har Ghar Jal'.
- ◆ The mission aims to improve quality of life by ending age-old drudgery faced by women & young girls in collection of drinking water.
- ◆ End-to-end management of water: from source sustainability to greywater management.
- ◆ Vibrant community ownership and engagement for long-term sustainability.

Allocated
budget

₹ **3.6** lakh
Crore

Additional direct support of

₹ **1.42** lakh
Crore

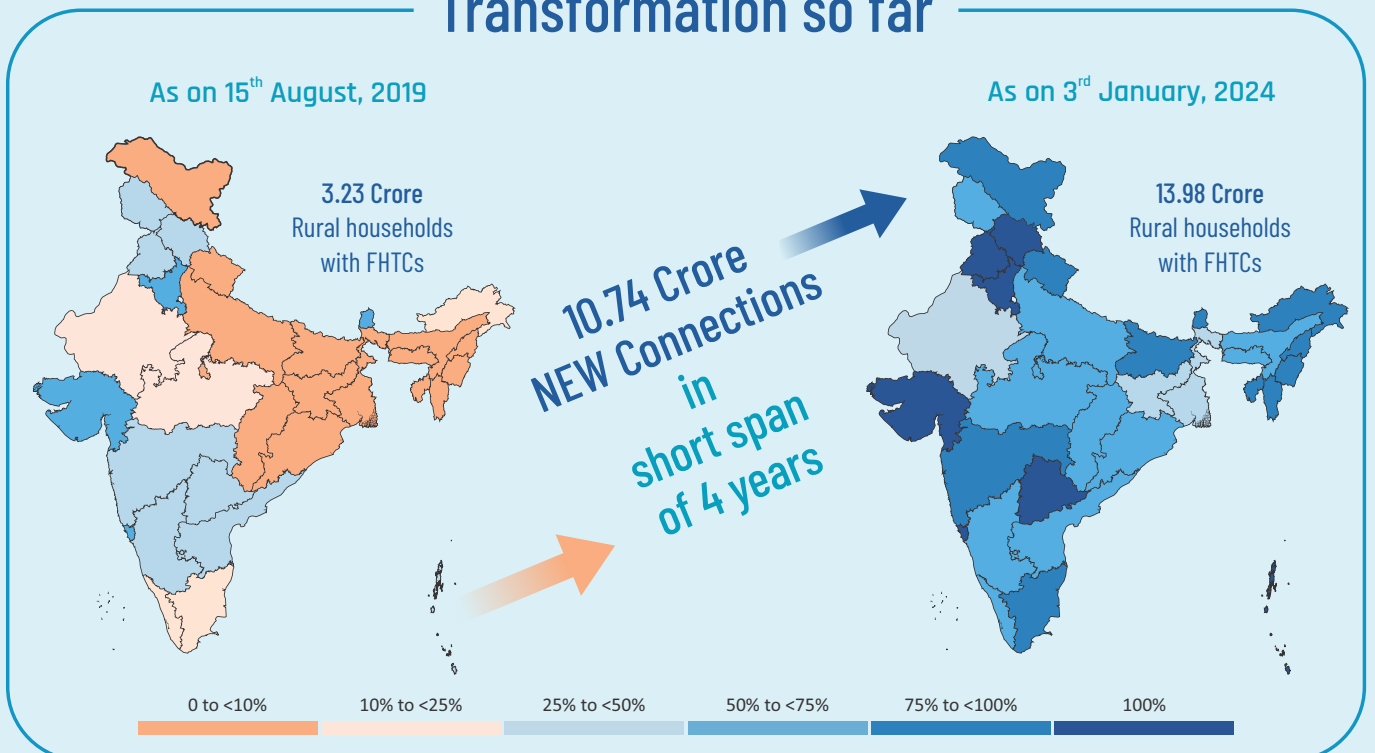

as Tied-grant (water
& sanitation) to
Rural Local Bodies

under 15th Finance Commission
for 5 years i.e. 2021-2026

Components of Jal Jeevan Mission

Transformation so far

Progress at a glance

Physical Progress

Tap water coverage has increased from 3.23 Crore to 13.98 Crore households.

Water Supply in Institutions

9.24 lakh schools, 9.57 lakh anganwadi (day-care) centres and 3.89 lakh public institutions benefitted.

Community Engagement

5.29 lakh Village Water and Sanitation Committees with at least 50% women.

More than 5.17 lakh Village Action Plans developed detailing costing, implementation schedule, Operation & Maintenance, source sustenance.

Significant improvement in remote areas

9-fold (918%) increase in FHTCs in 112 remote and socio-economical backwards districts from 21.42 lakh to 196.56 lakh.

Increase in FHTCs from 8.02 lakh to 210.69 lakh in 61 districts affected by Japanese Encephalitis/ Acute Encephalitis syndrome.

Water Quality

2,113 water testing laboratories are open for public to test water samples at nominal rates.

More than 23.55 lakh women trained to use Field Test Kits to check the quality of water supplied at source/ at home.

Building Partnership

206 organizations as 'Sector Partners'.

99 academic institutions/ NGOs as Key Resource Centres for capacity building.

5 Centres for research and innovation in partnership with Premier Academic Institutions (IITs).
