W-11045/34/2010-CRSP**

Dated: 27th August, 2010

To,
The State Secretaries,
Incharge of Sanitation

Sub: Mementoes and Citations for NGP 2010

Sir,

The process of NGP 2010 is already on with survey agencies nominated by the Department already carrying out survey of applicant GPs in consultation with respective states.

As you are aware, during the last year Gram Pnachayats were awarded the Nirmal Gram Puraskar in their respective states . Central funds to the extent of Rs. 5 lakh per state and Rs 5000/- per awardee were given to organize the function. Mementoes and Citations were supplied by the Department procured centrally.

Based on the experience and feedback received from various States regarding difficulties in coordinating the issues , it has since been decided that States may procure Mementoes and Citations for NGP 2010 as per their requirement.

Accordingly, a copy of specifications of Mementoes and Citations is enclosed herewith based on which the items were procured during the last year.

You may like to initiate necessary action in advance for ensuring availability of Mementoes and Citations as per the dates planned for organizing the function. The mementoes and Citations may be procured following due procedure from anywhere in the country for which lump sum estimated funds as decided shall be provided.

Yours Sincerely

(Vijay Mittal)

Director (CRSP)
