CGO Complex, Lodhi Road
New Delhi - 110003
Dated : 20th May 2014

To

The Principal Secretary / Secretary
In Charge of Nirmal Bharat Abhiyan (NBA)
All States

Sub: Modification in the Reporting System in the NBA -MIS

Sir,

1. The NBA online monitoring system is being used extensively by the Government of India for monitoring the Physical and Financial performance of the programme in the states.
2. From the financial year 2014-15 onwards, Monthly Progress Reports (MPRs) for the NBA in each district, will be generated from the Gram Panchayat level (Beneficiary wise) entries and their subsequently online approvals at the District and State levels. These approvals are mandatory for the data to be accepted and reports viewed online.
3. The above mentioned modifications have been done in the MIS and also hosted online (<http://tsc.gov.in>) and on Demo site for testing and training purpose (<http://164.100.72.160/demo/NBA/NBAHome.aspx>). Following entries are to be made on the MIS.
 - Release of funds by state to District and further to Gram Panchayats by districts through implementing agencies (Optional at this stage).
 - Details of households (Having or not having toilets) surveyed in Baseline Survey 2012.
 - Physical & Financial Progress Reporting at GP level with names of beneficiaries.
 - Approval of progress by District and further by State of MPR

To familiarize the State NBA-MIS personnel with the above changes, a one day training program was conducted on 28/29th April 2014 and same was also hosted on DEMO website for testing and conduct the similar training programme at State level for the district/block level officials .

It is requested that concerned officials may be directed to fill progress on the MIS w.e.f 1st April 2014.

With regards

(Sujoy Mojumdar)
Director (NBA)
