Sub.: Entry of NBA Baseline Survey Data , 2013- Accelerating Progress

Sir/Madam,

Please refer to this office letter of even number dated 18/6/2014 in which Financial Provision for data entry of Baseline Survey was communicated to the States. Further, vide this Office letter dated 9th June, 2014 States had been asked to commence entry and complete the same by 31st July, 2013. Both the letters are available on the Website of the Ministry.

2. The progress of the States in entering data on the MIS (both Baseline Survey as well as Monthly Progress Report (MPR)) was reviewed in this Ministry today i.e. 2nd July, 2014. In the Review it has been found that only 16.24 lakhs household data with respect to Baseline Survey and 1.42 lakhs IHHL Physical achievement data have been reported online on the MIS (State-wise breakup is annexed) .

3. As you are aware, we have a large number of Households (17.19 crs.) at the National level which have to be entered on the MIS. Further the Government of India is also monitoring the achievement of States in the coverage of various components under NBA as part of the 100 days Programme of the new Government. . In this regard, the achievements reported as on 2.7.2014 are not satisfactory.

4. It is again urged that immediate arrangements be made to accelerate the implementation of the programme in all its components and the reporting of the same on the MIS on highest priority. It is expected that the report of progress of June, 2014 which will be consolidated on 15th July, 2014 shall show significant increases in both the Baseline Survey Data entry as well as Physical achievement under MPR for all States and UTs.

5. However, it is pointed out that the States of Arunachal Pradesh, Himachal Pradesh, Jammu and Kashmir, Karnataka, Meghalaya, Mizoram, Nagaland , Punjab, Tripura and Uttar Pradesh have not even initiated MPR data entry or the data entry is very poor.

Urgent attention needs to be given to this issue.

Encl.: As above.

Yours faithfully,

(Sujoy Mojumdar)
Director, NBA
