Dated: 11th May, 2012

Subject: National Drinking Water Security Pilot Projects in Over-Exploited Blocks - Immediate Action on Engagement of Support Organizations.

Dear

Please refer to this Ministry's letter dated November 23rd 2011 and 28th March 2012 on the subject. Ministry of Drinking Water and Sanitation is promoting National Drinking Water Security Pilot Projects in selected blocks in 10 States including your State. A Support Organization is to be appointed to take up community mobilization and carry out support and other activities, as outlined in the project concept note.

2. The Ministry has been repeatedly requesting you since the last workshop on 8-9 September 2011, to complete the process of appointing the Support Organization to give momentum to the project.

3. However, during the recently held National Review Workshop at Bangalore on 2-4 May 2012, it was observed that while some States have already appointed Support Organisation and initiated the project activities, your State is still to appoint a Support Organization for the pilot block activities.

4. At the workshop held in Bangalore it has been decided by Secretary, Ministry of Drinking Water and Sanitation and participating State representatives that, the process of appointing Support Organization in all remaining States be finalized and the Support Organization appointed by 30.06.2012.
