Dear Sir,

Please refer to the discussion held on registration of account of state program implementation units in PFMS. This is essential for roll out of public Financial Management System (PFMS) for Centrally Sponsored scheme. Scheme may have multiple components e.g. under rural housing there is tribal area sub plan. All such components with or without account code need to be listed. These components are generally the expenditure heads monitored by the PD. Same need to be listed and registered in PFMS. Existing and likely components of the scheme may be listed against the particular scheme. For registration in PFMS, list may be prepared and made available to my office which would then be uploaded in PFMS by the technical team.

One or more component is handled by agency mandated to execute the scheme. In this regard, it is required to register all the agencies /bodies receiving funds from Centre, under Centrally Sponsored scheme and some agencies/bodies under them which get funds from the main agencies, on PFMS. Just to cite an example, if a state level agency is receiving funds from Centre and then it is further distributing the funds to Division/District level agencies, agency getting funds from Govt. of India is level 1 agency, whereas agency getting fund from level 1 agency is treated as level 2 agency and so on. In scheme there may be 2-4 levels of beneficiary agencies.

Program division may provide the fund flow hierarchy for different Centrally Sponsored schemes under its control. Further program division may like to review the name and details of agency registered/ not registered with PFMS and monitor registration and mapping of these agencies on a regular basis. List of components/ sub-components which are monitored by the Program Division or envisaged to be monitored under the scheme may also be prepared and provided.

While compiling and providing information, any clarification or information may be sought from my office. Program Manager Mr. Aslam Suhail (Contact details enclosed) or Ms. Ritu Adhikari(Contact details enclosed) or Ms. Rajni Sachdeva

(Contact details enclosed) may be in a position to guide in the process. States may also be advised to depute nodal person to complete this process. They may also get in touch with local PFMS, SPMU. List of officers and their contact numbers is enclosed.

Since the agency registration and components and data registration for Centrally Sponsored Schemes would help in monitoring fund flow of the scheme and provide authentic input about utilisation of fund, I request for your personal intervention to get it expedited.

With Regards

Yours sincerely

(Ajay S Singh)
