To  
Principal Secretaries / Secretaries in charge of RWS  
All States / UTs

Subject: Physical targets for the year 2015-16

Madam / Sir,

As you are aware that during 2015-16 allocation under NRDWP has been reduced in comparison to allocation of previous years due to enhanced devolution of funds to the States under Fourteenth Finance Commission Grants.

2. The Ministry is now in receipt of final allocation figures under NRDWP for the year 2015-16 after the finalization of Revised Estimate for the year 2015-16. In view of the reduced allocation, it has been decided to reduce the physical targets of the States / UTs with regard to coverage of Partially Covered habitations, Quality Affected habitations and Piped Water Supply schemes to the extent of allocation of funds made to the States / UTs in the current financial year. The State-Wise revised physical target is attached at Annexure for your incorporation / updation in IMIS and necessary action.

3. However, Rural Drinking Water Supply being a State subject, States are hereby requested to invest more funds from their own resources and take higher targets.

Encl. As above.

Yours sincerely,

  
11.01.2016  
(A K Srivastava)

Under Secretary (Water)
