Subject : RWSSP LIS Programme - Monitoring & Review.

Dear Sir,

Please refer to meeting held on 26.11.2014 in the office of the undersigned, regarding Monitoring & Review of above programme.

In this meeting you were provided with a set of formats for continued Review & Monitoring of above programme. In this meeting all the states promised that they will send the completed formats by 30.11.2014.

It is very sad, to note that even after a gap of ten days no response has been received from your end. Can we justify such type of insensitive attitude for a time bound Externally Aided Project which is already under 'Time over Run'.

Now send the desired information immediately & I hope that your good office will not require such reminders in future.

Yours faithfully
