**Subject: Review the status of Key Resource Centres of MDWS – regarding**

Sir, /Madam,

As you aware, capacity building initiatives at all levels play a very important role in the provision and management of water and sanitation services to rural community. The overall goal of the Human Resources Development efforts of Ministry of Drinking Water and Sanitation (MDWS) is to ensure improved community managed sustainable operation and maintenance of water supply and sanitation systems in project villages. In this context, in order to sustain the status of Nirmal Bharat, a concerted effort to build the capacity of all stakeholders of the programme is necessary. As a requisite for this, the Ministry of Drinking Water and Sanitation has recognised your Institute as Key Resource Centres (KRC) of Ministry to impart quality training to our project implementers, managers and stakeholders to effectively plan, implement, monitor and sustain the water supply and sanitation status of our villages.

2. A series of meetings to review the performance of Key Resource Centres of Ministry was taken by Secretary, MDWS and fund that your Institution has not taken any initiatives for training our stakeholders for few years; therefore, it is to be informed that such actions on the part of the KRC's are undesirable.

3. As you know that the services of KRCs are indispensable for the effective implementation of Water and Sanitation programmes in the States under NRDWP and NBA, therefore, the willingness of your institution / organisation for continuation as KRC under this Ministry may be informed within 10 days of issue of this letter.

Yours sincerely  
*Sandhya Singh*
