Subject: Review of status of Key Resource Centre-reg.

Madam/Sir,

The Ministry of Drinking Water and Sanitation (MDWS), GoI is in the process of reviewing the status of all institutions empanelled as Key Resource Centres (KRCs) for conducting various trainings and capacity building programmes on rural drinking water related issues under National Rural Drinking Water Programme (NRDWP). The objective of the review is to know the present status and inviting willingness of the Centre to participate in fresh empanelment in future, since most of the KRCs have completed five years' period of empanelment and thus, a process is needed for fresh empanelment of KRCs.

As your institution was among one of the empanelled KRCs of the Ministry, it is, therefore, requested to submit the details on the prescribed *format* enclosed herewith as **Annexure** along with the desired documents and willingness for empanelment as KRC within 10 days by Speed Post/e-mail (Dr. Anil Kumar, Technical Officer(WQM), e-mail: anil.kumar1976@gov.in) so as to enable this Ministry to complete the process.

Yours faithfully,
