D.O.No. Q-14018/52/AAP/2013-DWS(Stat)
Dated 29th April, 2013

Dear Sir/Madam,

As you are aware the Annual Action Plan for the year 2013-14 for your State has been discussed and finalized recently. Accordingly, the minutes have also been issued indicating the details. Now, the project proposals for coverage of targeted habitations and detailed plans for other activities under the Sustainability, Support, Water Quality Monitoring and Surveillance activities are to be prepared and got approved by SLSSC to expedite the implementation of proposed schemes/activities. Further, the comments and action points communicated through minutes of the meeting may also be complied. The finalized Annual Action Plan 2013-14 may also be put online along with marking the names of habitations targeted to be covered under different categories.

I, therefore, request you to call SLSSC meeting preferably in the month of May, 2013 so that you have a shelf of projects approved in time for faster implementation and utilization of funds. It is also to be ensured that the agenda notes and relevant papers/proposals for the SLSSC meetings may be sent to this Ministry 15 days in advance.

With regards

Yours sincerely,

Sd/-
