Dear Sir/ Madam,

As you are aware that this Ministry had provided funds under its flagship programme, National Rural Drinking Water Programme (NRDWP), for installation of reverse osmosis plants in rural areas in the States.

2. In order to assess the implementation, operations & maintenance and quality of these R.O. plans, this Ministry envisages conducting an evaluation study, which has been recommended by the Performance Management Division of Government of India as well by incorporating it under that RFD framework document of this Ministry. Therefore, in order to prepare a frame of all the completed R.O. plants in respect of your State/UT, a district wise list of R.O. plants is requested from you.

3. It is therefore requested to send the same to us by 30<sup>th</sup> June, 2013 positively. The information may also be emailed to the following email ids: [sandhya.singh@nic.in](mailto:sandhya.singh@nic.in) and [pandey.kamal@nic.in](mailto:pandey.kamal@nic.in).
