In-charge, Rural Water Supply
All States / UTs

Subject: Release of funds under Sustainability (Functionality) Component of
NRDWP as 2nd installment

Madam / Sir,

As you are aware that evaluation study for Assessment of Functionality status of Piped Water Supply (PWS) (Single & Multi Village) schemes under NRDWP for 2018-19 has been awarded to M/s WAPCOS Limited for carrying out study.

2. As M/s WAPCOS Limited may take some more time in submitting the study report for 2018-19, competent authority of this Ministry has decided to release 75% of notional allocation of 2018-19 under Sustainability (Functionality) Component to eligible State based on the functionality score given by QCI for 2017-18 as part of Sustainability (Functionality) funds. The difference, if any known after receipt of the report of M/s WAPCOS Limited, will be either released or adjusted with subsequent release.

Yours sincerely,

4.10.18
