

File No. 11042/22/2015-Water II
 Government of India
 Ministry of Jal Shakti
 Department of Drinking Water and Sanitation
 4th Floor, Pt. Deendayal Antyodaya Bhawan,
 CGO Complex, Lodi Road,
 New Delhi dated 24th October, 2019.

Office Order

Subject: Technical Committee for examination and use of innovations and technologies in drinking water and sanitation sector – regarding

A Standing Committee for Examination of the best technologies concerning water and sanitation was constituted by the then Ministry of Drinking Water and Sanitation vide its Office Order W-11042/ 12/ 2014/ NRDWP/ Water-II dated 11.9.2014 headed by Dr. R. A. Mashelkar, former Director General, CSIR. The tenure of the aforesaid Committee expired on September 10, 2019.

2. Government of India has launched Jal Jeevan Mission which aims at Functional Household Tap Connection to every rural household by the year 2024. To achieve the goal of universal coverage in water supply especially on this scale and with speed, there are huge challenges for which innovative solutions with the use of new technologies would be required. Also, under Swachh Bharat Mission – Grameen, on 2nd October country has achieved the goal of 'Open defecation free' which needs to be sustained and address new challenges including solid and liquid waste management for which ODF+ is proposed to be launched.

3. Keeping this in view, it has been decided to reconstitute the 'Technical Committee for examination of innovation and technologies in drinking water and sanitation sector'. The tenure of the Committee would be for a period of five years from the date of its constitution.

4. The composition of the Committee is as under:
