Sir,

**Sub: National Rural Drinking Water Security Pilot Project – Training on HGM
Maps - reg.**

A training program on usage of HGM Maps with the support of WSP-SA is being arranged at Hyderabad from 24-26 of July 2013. The officers of NRSC Hyderabad will be the resource faculty. The purpose of the training is to impart training to 2 no. of masters trainers associated with each of 15 blocks covered under National Rural Drinking Water Security Pilot Project. On completion of the training, the master trainers are expected to train the trainees in their block including the villagers / VWSC members on usage of HGM maps. It would be appropriate to train the Geologist of PHED / Jal Board (concerned with this Pilot Project) and the Team Leader / Geologist of Support Organization as master trainers.

Details of the nominated participants from your state including their, name, address, mobile no., e-mail ID etc. is to be sent to the Ministry on or before 01.07.2013. Boarding and lodging will be arranged by WSP-SA, while the travel expenses of the participants will be met by states. Details may also be sent to the email of 1)shanmugasundaram.ag@gmail.com 2)saumya.wb@gmail.com 3)mkullappa@worldbank.org and by fax to 011-24363253.

Yours faithfully
