Government of India

Ministry of Drinking Water Sanitation

4th floor, Pt. Deendayal Antyodaya Bhawan,
CGO Complex, Lodi Road
New Delhi – 110 003
28th July, 2017

To
Principal Secretary / Secretary
In-charge of Rural Sanitation
(States as per the list attached)

Sub: Learning workshop on 5th August, 2017 at Hotel Andaz, Aerocity, New Delhi for non-ODF districts

Sir / Madam,

Ministry of Drinking Water and Sanitation is consistently engaging in motivational and cross-learning initiatives to push SBM(G)'s objectives in a timely manner. Since the launch of SBM, it is increasingly being proved that district administration holds the key to effective strategy making and monitoring with regard to outcomes and overcoming field level implementation challenges. Strong leadership, commitment, and enthusiasm are the leading factors among those districts that have achieved and sustained ODF.

To recognize this spirit, MDWS is organizing a learning workshop on the 5th August, 2017 at New Delhi for non-ODF districts in which District Collector/District Magistrate/CDO/ADC/Mission Directors / State Coordinators would be attending. The objective of this initiative is to create a learning platform for the districts that are committed and have great potential to achieve ODF at the earliest.

It is requested that the Zila Swachh Bharat Preraks, as mentioned in the attached list, may be deputed for the workshop to be held at New Delhi. The expenditure on travel and accommodation, if necessary, may be charged from the IEC funds of the State.

For any further information, you may contact Shri Sharad Kumar, Consultant at sharadkumar@kpmg.com or 9582918260.

Yours faithfully

(W. Radha)
Joint Secretary
