W-11044/02/2012-Water-II
Government of India
Ministry of Drinking Water & Sanitation

4th Floor Paryavaran Bhawan
CGO Complex, Lodhi Road
New Delhi – 110003
Dated the 18th May, 015

To

All Principal Secretaries/Secretaries in charge Water Supply in the States/UTs

Subject: Cost of various types of schemes

Sir,

As you are aware that the cost of various types of schemes vary widely from State to State. In this connection, it is desired that latest costing of the following various types of schemes as per the field situation may be required by this Ministry on priority basis as the same needs to be used for estimation of funds requirement etc.

1. Deep tubewells with depth slabs
2. Shallow tubewells with dept slabs
3. Ground water sources based on single village scheme within/around habitation and at an interval of 5 km, 10 km, 15 km or more
4. Ground water based multi-village scheme within/around habitation and at an interval of 5 km, 10 km, 15 km or more
5. Surfaced multi-village scheme within/around habitation and at an interval of 5 km, 10 km, 15 km or more
6. Surface based bulk water supply mega schemes with 15 km or more (specify)
7. Sustainability structures – type of structures like check dam/bandha/percolation tanks etc. (specify) and their costs.

The above information may kindly be forwarded by 19th May, 2015 (3:00 PM) positively.

Yours faithfully,

(Dr. Dimesh Chand)

Addl. Adviser (PHE)
