To
The Addl. Chief Secretary / Principal Secretary / Secretary
In-Charge of Rural Sanitation
All States

Subject: Guidance on the usage of Swachh Bharat Kosh and World Bank assistance funds for conversion of dysfunctional toilets to functional.

Madam/Sir,

As you are aware, as per the result of the Baseline Survey 2012, 74 lakh dysfunctional toilets were reported to be found across the nation spread over 1.6 lakhs villages. Out of these 74 lakh dysfunctional toilets, 46 lakh have already been converted by the States to functional toilets. This Ministry has repeatedly advised the States to motivate people to conduct self-retrofitting/ self-construction of their dysfunctional toilets such as that in Jharkhand, Telangana, etc. Besides, the States have flexibility to use various funding sources such as MGNREGS, Fourteenth Finance Commission, District Mining Fund, GP fund etc. (details are at Annexure) for the purpose.

2. Swachh Bharat Kosh (SBK) has been set up by the Government of India for channelizing the corporate and philanthropic contribution for the purpose of implementation of Swachh Bharat Mission. Presently, funds from the SBK are being released to the States, based on the proposal received from the States for conversion of dysfunctional toilets. Further, this Ministry has also issued guidelines for utilization of World Bank assistance funds disbursed to the States against DLI-4 on the basis of result of first National Annual Rural Sanitation Survey vide this Ministry's letter no. S - 18013/2/2014 - O/o Dir (SBM) dated 15th June, 2018 which inter-alia allows the States to use the World Bank assistance funds for renovation of dysfunctional toilets.

3. Regarding utilization of funds under SBK and World Bank Supported Project for renovation of dysfunctional toilets, it has now been decided that the States/UTs can use SBK and World Bank funds upto the limit of Rs. 5000 per IHHL, for renovation of dysfunctional toilets. In case of additional funds are required for renovation of dysfunctional toilets, the States may use funds from their own sources.

Yours faithfully,

(Arun Baroka)

Joint Secretary to the Government of India
