Subject: Innovations in Swachh Bharat Mission Grameen - regarding

Dear Sir/Madam

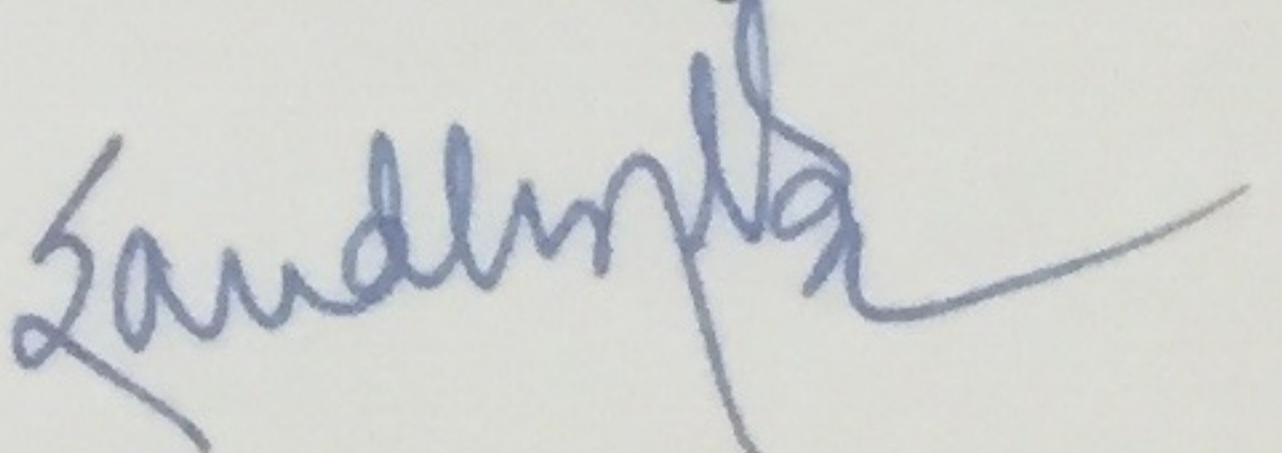

Since the launch of Swachh Bharat Mission (Gramin), a number of innovations have sprouted across the country. The States and districts have utilised the flexibility well, and champions at all levels, from villages to blocks, to districts and right up to State level have done 'out-of-the-box' thinking and brought in new innovative practices, in both policy and implementation.

2. The Ministry intends to capture this wealth of knowledge in the form of a book 'Innovations in Swachh Bharat Mission (Gramin)' that we intend to release at the hands of H'ble Prime Minister during the proposed INDOSAN. The book will provide a great opportunity to cross share and learn the best practices.

3. May I therefore, request you to compile the best innovations and success stories of your State in around two pages (along with photographs (preferably high resolution) wherever possible.) and send a soft copy of the same to Ms. Mahima Vashisht at the email mvashisht@tatatrusters.org by 11th April positively. The stories should preferably have a human interest angle in them.

एक कदम स्वच्छता की ओर
regards

Yours' sincerely

(Sandhya Singh)

To,

Pr. Secretaries/ Secretaries Incharge of Rural Sanitation in all the states
