Dear *Rajiv,*

During the visit of Hon'ble Chief Minister recently and her interaction with the Hon'ble Minister DWS Shri Nitin J Gadkari, the Chief Minister, Rajasthan, had desired that additional funds for multi village schemes through pipelines may be allocated to the State of Rajasthan. The details of the pipe line network proposed and the assured identified sources like dam and reservoirs from where the pipe lines will be drawing water duly certified by the Water Resources Department were not given without which no further action could be taken.

2. The DPR clearly identifying the project component as well as identifying availability of water source from spare capacity available either in existing reservoir or dam or proposed reservoir or dam duly certified by the Water Resources Department/Ministry in case of all multi village pipeline schemes may kindly be sent to this office.

With warm regards,

Yours sincerely,

  
(Pankaj Jain)
