Municipal Administration & Water Supply Department,  
Government of Tamil Nadu,  
Secretariat, Chennai- 600 009.

**Subject: National Level Workshop on 14 November, 2017.**

Sir,

As you are aware that Ministry of Drinking Water & Sanitation is in the process of reforming NRDWP to make it more result oriented, more competitive by incentivizing those who manage the O&M through community participation on a sustainable model. The whole idea is to usher an era of competition among the states on the subject of rural drinking water supply, which is a state subject.

2. Accordingly, Ministry is organizing a 'National Level Review-cum-Workshop' on 14.11.17 in New Delhi and one whole session is dedicated on 'Best Practices in Rural Water Supply Sector'. As **Hogenekkal Fluoride and Fluorosis mitigation project** in your state is an example which can be replicated by other States to make the programme more sustainable, your state is requested to give a presentation of 8-10 minutes as (maximum 10 slides).

3. An early line of confirmation to mail address [shukla.ajcet14@gov.in](mailto:shukla.ajcet14@gov.in) from your side would be highly appreciated.

Yours sincerely,
