To
Principal Secretary,
Municipal Administration & Water Supply Department,
Government of Tamil Nadu,
Secretariat, Chennai- 600 009.

Dated: 8th November, 2017

Sir,

As you are aware that Ministry of Drinking Water & Sanitation is in the process of reforming NRDWP to make it more result oriented, more competitive by incentivizing those who manage the O&M through community participation on a sustainable model. The whole idea is to usher an era of competition among the states on the subject of rural drinking water supply, which is a state subject.

2. Accordingly, Ministry is organizing a ‘National Level Review-cum-Workshop’ on 14.11.17 in New Delhi and one whole session is dedicated on ‘Best Practices in Rural Water Supply Sector’. As Hogenekkal Fluoride and Fluorosis mitigation project in your state is an example which can be replicated by other States to make the programme more sustainable, your state is requested to give a presentation of 8-10 minutes as (maximum 10 slides).

3. An early line of confirmation to mail address shukla.ajeeet14@gov.in from your side would be highly appreciated.

Yours sincerely,

(Rajesh Kumar)
Director (Water)
