Subject: Performance Audit of NRDWP - Mobile application based geo tagging

Madam / Sir,

The undersigned is directed to refer MoDWS' letter no. G-25012/3/2017-Water-II-Part (45) dated 27.09.2017 regarding use of MRWS mobile application. During the Performance Audit of NRDWP, the Audit Team has observed that the pace of uploading of photographs as well as number of photos uploaded is not enough considering the application has been launched 2 years ago. This is also evident from the Format F-21 of IMIS and mRWS application report enclosed herewith.

It is thus requested to expedite the process of uploading of photographs of NRDWP schemes in the mRWS Application and ensure that these are uploaded regularly. It is also requested to furnish the reasons for slow utilization / non utilization of mRWS mobile app by the states for geo tagging of NRDWP schemes to enable this Ministry to frame a reply to Performance Audit Review Team.

Encl: As above

Yours Sincerely
