Subject: Revision of Project Implementation Plan under Nirmal Bharat Abhiyan –
regarding.

Madam/Sir,

Kindly refer to this Ministry's letter No.W.11013/5/2012-CRSP dated 13.06.2012 regarding continuance of Total Sanitation Campaign (TSC) renamed as Nirmal Bharat Abhiyan (NBA) in the XII Five Year Plan. The NBA guidelines have since been finalized that may be downloaded from the Ministry's website www.ddws.gov.in.

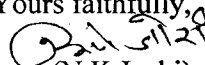

The Project Implementation Plan (PIP) under NBA may be revised suitably as per Census 2012 and the modified provisions under NBA. It is expected that the States take measures to carry out baseline survey for formulation of new PIPs as per the NBA guidelines. This process may be initiated immediately.

The comprehensive revision in the PIP is likely to take some time. You are, therefore, requested to prepare the revised Annual Implementation Plan (AIP). The AIPs to be proposed may include:

- a) Proposed Nirmal Grams to meet 2012-13 AIP targets.
- b) IHHL(APL) physical objectives with identified categories for financial incentive under NBA
- (a) SLWM physical objectives

The project outlay may accordingly be worked out as per NBA norms. It may be noted that the BPL project objectives shall remain constant as identified by BPL Census 2002 of the Ministry of Rural Development, Government of India.

The revised proposal may be forwarded to this Ministry so as to reach by 16th August 2012 positively. These may be uploaded on the NBA website also.

Yours faithfully,

(N.K. Joshi)
