**Subject: Swachh Bharat Mission (Grameen) [SBM(G)] Phase-II Guidelines –
Amendment to the provisions with respect to construction of Community
Sanitary Complexes (CSCs) reg.**

Sir,

I am directed to refer to the SBM(G) Phase-II Operational Guidelines and to convey that following paras/annexures of the Guidelines with respect to construction of Community Sanitary Complexes (CSCs) have been revised as under:

Para No./Annexure	Existing para	Revised para
Para 4.1	a. ODF-Sustainability: That all households in a village, as well as the Primary Schools, Panchayat Ghar and Anganwadi Centre, have access to a toilet and that continued behaviour change communication is ensured in the village. At least five Information, Education and Communication (IEC) messages on specified themes (mentioned in the subsequent checklist) should be prominently displayed in the village. If the village has more than 100 households, it should have a Community Sanitary Complex (CSC).	a. ODF-Sustainability: That all households in a village, as well as the Primary Schools, Panchayat Ghar and Anganwadi Centre, have access to a toilet and that continued behaviour change communication is ensured in the village. At least five Information, Education and Communication (IEC) messages on specified themes (mentioned in the subsequent checklist) should be prominently displayed in the village.
Checklist to declare a village ODF plus - Under Para 4.1	(ii) The villages with more than 100 Households should have a CSC.	Point (ii) of the Checklist stands deleted .
Para 5.3	ODF-plus villages with more than 100 households must endeavour to have at least one CSC which may cater to the	In order to ensure that sustainability of ODF status is continued and that no one is left behind, GPs should construct

	<p>sanitation needs of floating/migrant population. The GP will decide upon a suitable location for construction of CSC that is easily accessible to all, having adequate water availability and where long-term O&M is ensured. For the construction of CSC, priority shall be given to the locations with predominant SC / ST habitations, poorest of poor in the village and/or those visited by migrant labourers / floating population etc.</p> <p>The CSCs shall have separate facilities for</p> <p>.....</p> <p>Financial assistance for a CSC will be as per</p> <p>.....</p> <p>Technological details for IHHLs and CSC are given</p> <p>.....</p>	<p>CSCs to cater to the sanitation needs of households who do not have individual toilets due to lack of space or for floating/migrant population, or at places where large congregation of people usually takes place, etc. The GP will decide upon a suitable location for construction of CSC that is easily accessible to all, having adequate water availability and where long-term O&M is ensured. For the construction of CSC, priority shall be given to the locations with predominant SC / ST habitations, poorest of poor in the village and/or those visited by migrant labourers / floating population etc.</p> <p>The CSCs shall have separate facilities for</p> <p>.....</p> <p>Financial assistance for a CSC will be as per</p> <p>.....</p> <p>Technological details for IHHLs and CSC are given</p> <p>.....</p>
<p>Annexure-XII(B) – ODF Plus Verification Format</p>	<p>2. If the village has more than 100 Households, it has at least one functional community sanitary complex (CSC), with separate toilets for male and female.</p>	<p>Point 2 of the ODF Plus Verification Format stands deleted.</p>

2. You are, therefore, requested to bring this to the notice of all the concerned implementing agencies in your State/UT for appropriate action.

3. This is issued with the approval of competent authority.

Yours faithfully,

23/11/2020

(Rampal Singh)
