

REMINDER-I

WQ-11034/58/2016-WQ

Government of India
Ministry of Drinking Water and Sanitation

4th Floor, Pt. Deendayal Antyodaya Bhawan,
CGO Complex, Lodi Road,
New Delhi-110 003

Date: 16, February, 2017

To
The Principal Secretary/Secretary
In-Charge of Rural Water Supply
All States & UTs except MP

Subject: National Skill Development Action Plan.

Madam/Sir,

Kindly refer to this Ministry's even no. letter dated 02.12.2016 on above mentioned subject through which this Ministry had requested information as per the given format. Copy of the letter is enclosed for your reference.

2. In this respect, it is to be stated that the requisite information is still awaited from your state/UT. Hence, it is once again requested to expedite the matter and furnish the information immediately, so that the Ministry could undertake necessary skill gap analysis and furnish the skill action plans to MoSD&E.

Encl: As above

Yours sincerely,

16.2.17.
(A.K. Srivastava)
Under Secretary

WQ-11034/58/2016-WQ
Government of India
Ministry of Drinking Water and Sanitation

4th Floor
Pt. Deendayal Antyodaya Bhawan,
CGO Complex, Lodhi Road,
New Delhi-110 003
Date: 2.12.2016

To
The Engineer-In-Chief
In-Charge of Rural Water Supply
All States & UT

Subject: National Skill Development Action Plan.

Madam/Sir,

I am directed to refer DO No. B-12018/04/2015-SDE dated 05.09.2016 received from Ministry of Skill Development & Entrepreneurship (MoSD&E) on above mentioned subject and to say that in order to prepare National Skill Development Action Plan, MoSDE has requested this Ministry to undertake skill gap analysis in rural drinking water sector, estimate skilled manpower requirement and finalize skill action plans.

2. As such, the State Governments are requested to furnish real data as per following proforma :-

S.No.	Item	Pipe Water Supply (MVS)	Pipe Water Supply (SVS)	Tube-well / HP / Well etc.	Recharge Structure	Point Treatment System	Total
1.	Completed and functional Schemes(*)						
2.	Manpower for O&M						
3.	Ongoing Schemes(*)						
4.	Manpower for Construction and commissioning						
5.	Training requirement for the manpower						
6.	Total						

Manpower (Sum of Sl. No. 2 and Sl. No. 4)						

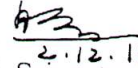

* Rural pipe water supply schemes under NRDWP as on 30.11.2016

3. There may be multiple schemes IDs (and therefore the scheme data that have been entered into IMIS) corresponding to one scheme, possibly due to provisioning for augmentation or upgrade requirements. Accordingly, states may provide a real picture based on the exact numbers of completed schemes and ongoing schemes.

4. The manpower requirement could be of two types and at two different stages. There are in-house PHED Engineers and Contractors workforce. Similarly, the stage of construction and commissioning may result in a different workforce than during the O&M tenure. Hence the above proforma may be filled up based on the prevailing condition in the state.

5. In addition to above, it is also requested that a projection of training requirement and broad areas under which the training is to be imparted such as hand pump mechanics, pump operators, civil gangue, FTK sampler etc. may be detailed.

Yours Sincerely,

(A. K. Srivastava)

Under Secretary (Water)
